About Institute

Kurukshetra Institute of Technology and Management (KITM) was established in the year 2007 at Kurukshetra, Haryana by Shanti Devi Educational Trust with the approval of AICTE and Govt. of Haryana to impart technical and management education at graduate and post-graduate level at affordable cost to meritorious and deserving students. It is a self sufficient campus with all modern amenities in 20 acres of lush green, pollution free area. This campus is a combination of architectural excellence and beautiful landscaping. The academic blocks are aesthetically designed with fully functional utilities in a serene and green environment. KITM, Kurukshetra has a modern infrastructure with fully equipped library, laboratories, hostels and facilities for sports (both indoor and outdoor). It caters to all the academic and recreational needs of the students. The campus has excellent internet facility provided through dedicated fiber optic leased line of 12mbps bandwidth and wireless connectivity so that the students can avail the internet facility anywhere at anytime.

The institute offers Graduate and Post Graduate courses in the following areas:

1. M.Tech - ECE
2. B.Tech - ECE, CSE, IT, EE, ME
3. MBA - Specialization in FIN, MKT, HR, IB
4. BBA

About Event

Objective:

Effort...preparing minds of future..Today is an Effort to involve school level students to demonstrate their creativity, enthusiasm and team spirit. Through this event, we are providing a common platform to young minds to explore their hidden talent.
